I am delighted to offer my warmest greetings and congratulations to San Diego Pathfinders Lions Club on your 8th Anniversary Installation of Club Officers and Induction of New Members.

As Council Chairperson of Multiple District 4 Lions of California, celebrating milestones with clubs such as yours is one of the most pleasant tasks I have. With your services, the community gains a lot as you use your creativity and determination to do whatever you can dream.

Today I join with all your members, friends, and supporters in commending you for your dedicated service and willingness to give back so much to the community.

Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful. - Albert Schweitzer

Best wishes for your success and fulfillment as Lions. Your service to the community is needed more than ever, now and in the future, and we look forward to watching your club grow and thrive.

Esteemed Members of Milpitas Executive Lions Club:

On behalf of Lions Clubs International Foundation (LCIF) and Lions worldwide, we congratulate you on your outstanding Campaign 100 Model Club achievement. Your dedication to helping a world in need — through support of your foundation — is an example for all clubs.

As a symbol of LCIF's gratitude for your club's generous financial support, we're pleased to share the enclosed recognition.

Over the past century, Lions united in service have transformed millions of lives. As a Model Club, you're leaders among leaders continuing the transformation and exemplifying the incredible power Lions have to make an impact, near and far. Because of you, a child is learning in a welcoming, positive environment; a family has access to life-sustaining food; a community is recovering faster from a devastating natural disaster; and so much more. Following your example, Lions worldwide are providing care and compassion when and where they're needed most.

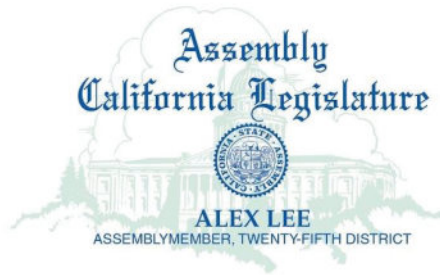

It's our honor to recognize your club as a catalyst in Lions' ability to serve those who desperately need our help and our hearts. Thank you again for supporting your foundation. Together, we're creating positive change in the world one life, one family, and one community at a time.

In gratitude,

Dear Friends:

I would like to take a moment to congratulate the newly installed officers and inducted members of the Milpitas Executive Lions Club. I would also like to take a moment to recognize all the members and officers who have demonstrated leadership in our community by participating and serving in various community programs over the years.

As the State Assemblymember representing the 25th State Assembly District, I applaud the commitment of the Milpitas Executive Lions Club in participating in community events such as the American Diabetes Association Walk, Day on the Bay, and Neighborhood Night Out. Furthermore, I would like to recognize the outstanding youth engagement programs, such as the Student Speaker Contest, Youth Art Workshop, and the Youth Exchange program that this club has successfully organized. I also want to thank the Milpitas Executive Lions Club for helping improve our local and international community through its Backpacks for Kids, Books for Africa, and Feed the Hungry programs.

Your service to the community extends far beyond these programs. The residents of the 25th State Assembly District and I applaud your commitment to serving our community.

Thank you and please do not hesitate to contact my office if I can ever be of assistance to the club.

Sincerely,

GREETINGS !

Kudos to Milpitas Executive Lions Club. Since your club charter in 2002 you have been an inspiration to our district as well as the entire California Lions association. You are home of two excellent Past District Governors, a current Vice District Governor, and proud sponsor in 2009 of the Lions Clubs International Peace Poster winner. But most importantly, you continue each year working hand-in-hand with a keen focus in selfless service to those in need. Indeed, you are a great Lions Club.

On behalf of the entire leadership of our district and state, we thank you and we honor you.

Past District Governor Thelma R Batilo

Milpitas Executive Lions Club
President 2021-2022

Thank you, Milpitas Executive Lions Club for giving me this opportunity to serve you, and our community! It is an honor to be President of this Club, as it is one of the leaders of the Lions global association of 1.485M members! Congratulations Milpitas Executive Lions as we enter our 19th year of service. Lions are making a real impact in lives and communities around the world.

On February 2020, MD4 California Lions were in Visalia and celebrated our wonderful service activities. One of the highlights was when International 3VP Patti Hill awarded Jesse Wang as one of the 23 Merit Award Winners for the 32nd Annual Peace Poster Contest 2019-2020 with Theme: Journey of Peace. It was a proud moment, especially for our then, Club President Benjie Fernandez and District Governor Rick Silveria, as well as, Jessie Wang and her family. As the Global Pandemic was declared, we slowed down a little, wondering what our role would be in our local community and to the world. We decided to focus on our families, stayed home and had virtual meetings via Zoom. We partnered with local community leaders in sewing cloth face masks and distribution of food. LCICON 2020 in Singapore was cancelled and our Missions in the Philippines.

Fast forward to 2020-2021, kudos to Immediate Past President Bob Nunez and District Governor Linda Pugliese for keeping us busy. Let's look within ourselves and continue to Serve. As International President Douglas X. Alexander asks us, let's do "service from the heart."

In whatever we do, be careful with our criticism, liberal with our praise, to build up and not destroy. This is #8 of LCI Code of Ethics.

During the past 104 years, as we continue to serve, we grow. Again, thank you for giving others the opportunity to give back to their communities and help those in need.

Yours in Lionism,

Thelma R. Batilo
