Dear Lions,

Congratulations on your club's 20th anniversary and holiday celebration!

This anniversary is an opportunity for your club to celebrate the incredible work you have accomplished and focus on the new opportunities ahead. Your commitment to kindness has made your club a vital and vibrant part of your community, and has helped Lions Clubs International remain the global leader in service for more than a century.

Your club was chartered by caring people who understood that when we work together, there are no limits to what we can accomplish. And together, your dedication ensures that your club will continue to grow, thrive and deliver kindness wherever there is a need.

You understand that Together We Can achieve greater things. And thanks to you, we will continue to make our communities—and the world—a better place for everyone.

Congratulations again on your anniversary, and I look forward to your many years of continued service.

Make a great day,

Brian E. Sheehan

Dear Friends,

I would like to take a moment to recognize the work of the Milpitas Executive Lions Club in celebration of their 20th anniversary. The Milpitas Executive Lions Club has strengthened our community over the past 20 years by fostering a spirit of understanding and encouraging service-minded people to serve our community.

As the State Assemblymember for the 24th State Assembly District, I want to celebrate the work of the Milpitas Executive Lions Club and recognize their officers and members. Their efforts with the Children with Cancer Project and numerous annual donation drives have benefited members of our community in the most need. In addition, their work organizing the Peace Poster Contest, local resource fairs, and LEO clubs at schools has helped bring our community closer together and encouraged volunteerism.

The Milpitas Executive Lions Club lives up to its motto to “serve others” and leaves a positive impact on Milpitas and our broader community. It is my honor to represent you in the State Assembly. Thank you, and please do not hesitate to contact my office if I can ever be of assistance.

Sincerely,

Message from District Governor 2018-19

President Nelly D. Cabuslay
Milpitas Executive Lions Club

Congratulations for being one of the leaders of this global association of 1.4M members!
Congratulations Milpitas Executive Lions on your 20th year of service.

I'm so glad to be a part of MELC and enjoyed serving with you throughout the years. Although there were so many highlights, I'm glad we were in Montreal to welcome International President Brian Sheehan and our District Governor Melinda Blaza. As you embark into your own leadership journey, remember "Together we can. Together we will."

This year, we continued our growth by sponsoring newly chartered club in District 4-C6: San Jose Sunshine Club. And sponsored the Silver Creek High School Community Leo Club. This means we will have to take extra effort to guide and give these young Lions and Leos the opportunity to serve. Let's continue our legacy by involving the youth. And always, check with our local community and give help in their areas of need.

Across the ocean, we gave our support to a Feeding Program at Barangay 163 Tondo Manila with Manila Amity Lions Club. And support families affected with childhood cancer through Kytte Foundation.

Let us continue to serve and grow. Thank you for giving others the opportunity to give back to their communities and help those in need.

Yours in Lionism,

Thelma R. Batilo

It seems like yesterday when MELC was chartered in the year 2002. The years passed quickly and this club continued to grow, as well as provide District 4-C6 leaders.

I salute you as you continue to strive for greater excellence. You have much to be proud of based on your past, current and future accomplishments.

Your strength and success in building, chartering new clubs have been a key contribution to the District 4-C6. MELC is a Beacon of Hope within the communities you serve. The Joy of Service is evidence in all you do.

Frances and I are very proud to be part of MELC and we are filled with joy as we hear about how you continue Making a Difference.

All the best to you

Theme: Lead with Compassion

Children know how powerful compassion can be. They're often able to express this feeling more openly than adults. This year, we invite young people to explore and visually express the peaceful future that compassionate leadership brings.

CHILDHOOD CANCER

It was a wonderful opportunity to personally tour and meet the operations director and staff of Jacob's Heart Children's Cancer Support Services. Touring the facility opened our hearts and minds to the services this organization has been providing for the betterment of the children with cancer and their family. We definitely supported an organization that adheres to their mission.
